WELCOME

from Councillor Sean Donnelly

Cabinet Member for Health and Social Care and
Deputy Leader of Knowsley Council

It's great to welcome you to this year's Knowsley Flower Show especially as we celebrate our 20th year! The Aster is the 20th anniversary flower and our theme for this year.

As we celebrate our 20th year, we have many new attractions and celebrations to mark this important year including Merseyside Dogs home hosting a Fun Dogs Show on the Pavilion and Military Style Education (MSE) with inflatables and zorb balls to tempt the younger generation.

The main attraction is of course the floral marquee; here you will see a magnificent array of flowers and vegetables. Many congratulations to all the exhibitors in this year's show; it's fantastic that you continue to enter and impress us year after year.

MATE productions are here again with half hourly performances of 'Much Ado About Something!' - look out for this amazing free theatre in the park at 1pm, 2pm and 3pm in Woodpecker Glen!

As usual, the Main Arena entertainment is located on the Gladstone field and includes the amazing H & M Dogs display. We also welcome back the Drakes of Hazard, all the way from the highlands of Scotland where Indian Runner ducks will keep us entertained in a laugh a minute show!

Also on the Gladstone field is the giant craft marquee, fairground rides, lots of trade stands and the community marquee.

We would like to encourage all our visitors to embrace the Festival's atmosphere and feel free to enjoy their own picnic or maybe take afternoon tea in the Floral Courtyard with Wendy's Kitchen.

For the younger generation there are lots of free activities including circus skills, face painting and pottery demonstrations in the Archaeological garden just past the Clearing where young people from EnChord Music Project will entertain the crowds with a packed programme of live music!

There are also lots of trade stands on site to tempt you with plant sellers and growers giving advice and helpful tips on gardening. Please see map in centre pages of this programme.

For the more discerning gardener, check out Gardener's Question Time at 2.30pm in the Classroom in the Floral Courtyard. The prize giving ceremony will be held at 4.30pm by the Floral Marquee.

I would like to take this opportunity to thank all our sponsors, traders and supporters for their contributions towards the event. I would also like to give huge thanks to all our wonderful volunteers who give their time up to help out on the event.

We hope you enjoy this year's show.

The Liverpool & Knowsley Book Art exhibition: Frankenstein 2018

Yulia Sharova

Liverpool
book
art

Central Library, Liverpool 14 May - 9 August 2018

Kirkby Gallery, Knowsley 17 September 2018 - 26 January 2019

Liverpool Book Art is delighted to present **Frankenstein 2018**, in partnership with Liverpool Central Library and Kirkby Gallery, Knowsley. The theme of the exhibition marks 200 years since the first edition of Mary Shelley's *Frankenstein; or, The Modern Prometheus* was published.

Frankenstein is a classic work for a variety of reasons. Not only is it arguably the very first work of science fiction, but it is also a core text of Gothic literature. Its themes of ambition and hubris, ethics and morality, responsibility for the consequence of one's actions, free will and empathy have been important since the book was first published. They also appear hugely relevant today, whether considering genetic manipulation and synthetic biology, artificial intelligence and machine learning, or Silicon Valley's 'disruptive technologies'. This is reflected in recent television series such as *Humans*.

Book artists from around the world have responded to *Frankenstein* with a hugely creative range of ideas. Some have been stimulated by the themes in the book; others have been inspired by the way the story is told; others have made links between *Frankenstein* and other classic stories such as *Dracula* and *The Golem*.

Some of the works have been made in small editions; some are unique works. Many of them are available to buy. New works will be on show in Kirkby Gallery by invited artists and by Knowsley residents in response to seeing the exhibition in Liverpool.

Liverpool Central Library is also the venue for the fifth **Liverpool Artists' Book Fair**, taking place on **Saturday 7th and Sunday 8th July 2018**. The Fair showcases unique hand-made books, notebooks and cards, bookbinding, book sculptures and everything in between, all of which are for sale.

The Exhibition and the Fair are both **FREE** to the public. Look out for details of demonstrations, workshops and talks during the exhibitions.

LOST CASTLES

11 & 12 August 2018
At six host sites across Liverpool City Region

LIVERPOOL - Williamson Square	HALTON - Horton Priory Museum & Gardens	KNOWSLEY - Knowsley Safari Park	SEFTON - Boatle Leisure Centre	WIRRAL - Victoria Sq. Town Centre (by town hall)	ST HELENS - Ashton Park, West Kirby

Have you ever wanted to build your own gigantic castle?

Then sign up for Knowsley's Lost Castle!

Taking inspiration from Elsinore Castle, one of William Shakespeare's most famous plays, Hamlet, Knowsley's Lost Castle will be constructed at Knowsley Safari Park and will be in situ from Friday 10th to Sunday 12th August.

But before that we need you to help build it!

Free workshops will take place from 5th to 8th August at The Prescot School, Knowsley Park Lane, L34 3NB. **There will be two workshops per day, 9am-12noon and 1-5pm plus one evening session on Tuesday 7th.**

To get involved go to:

Lostcastles.co.uk

**'Hamlet's Castle of Cosmic Creatures'
Saturday 11th August - 12-7pm**

Join us on Saturday 11th August at Knowsley Safari Park for 'Hamlet's Castle of Cosmic Creatures'.

Expect entertainment from the castle's jester; and gaze at the black ravens while they fly around the castle grounds. Greet the giant Elizabethan puppets as they roam and watch in awe as two giant smoke breathing Dragons swoop and soar!

Cardboard inspired craft workshops will keep children entertained and performances from local choirs and musicians will celebrate the rich culture, heritage and history of Knowsley all against the backdrop of the cardboard castle built entirely by the local people of Knowsley.

**Lost Castle Visit & Flattening
Sunday 12th August 10am - 4pm**

Get involved in helping to build Liverpool City Region's lost castles and work with renowned French artist Olivier Grossetete!
