KNOWSLEY
BOROUGH OF
CULTURE 2022

Welcome

from Christine Yates, Show Secretary

How wonderful it is to be able to look forward to the Knowsley Flower Show again after a two year gap, August just wasn't the same without it. I am sure everyone felt the same, whether exhibitor or visitor, we all missed the spectacle, the colour, the camaraderie, the feeling of excitement waiting for the big day, and it never disappointed year after year.

I am hoping this year, with the upsurge in interest for gardening during the pandemic, we will have a bumper number of entries. If you are a novice, don't worry, you will receive help and support. There are a wide range of classes you can enter, and once you have won that first prize card, hopefully you will be hooked for life.

2022 is a special year for us as Knowsley is the Liverpool City Region's Borough of Culture in 2022, and there will be a year-long packed programme of cultural events and activities which includes Knowsley Feelgood and Knowsley Flower show so keep a look out on www.cultureknowsley.co.uk and follow @cultureknowsley on Facebook, Twitter and Instagram for all of the latest news and events. Knowsley's theme for the year is storytelling and you will see this theme highlighted in the young person's classes. We encourage as many young people as possible to participate this year!

Don't forget, as gardeners we can do so much to improve our environment. Every flower helps our wildlife, every tree planted helps to reduce air pollution and is a legacy we can leave to future generations. All the wonderful displays of flowers and vegetables at our show bring a smile to the faces of visitors. After the last two years we need more to smile about and reduce our stress levels. What could be better than the pleasure gained from gardening, and producing entries for the show and sharing that pleasure with others.
