Welcome

from Christine Yates, Show Secretary

This is a very special year for Knowsley Flower Show, our **26th** Anniversary!

2024 is yet another very special year for Knowsley, celebrating 50 years since the borough of Knowsley was created in 1974. The theme of the flower show will reflect this and celebrate all the good things we can enjoy living and working here. The Flower Show will be just one of many events this year, a golden year, and we know our exhibitors won't let us down.

The Knowsley Flower Show is open to anyone no matter where they live. We have exhibitors from far and wide, in all areas of Merseyside, Manchester, Bolton and further afield. The only criteria exhibitors need is a love of nature, growing flowers and vegetables, and a willingness to share the results of their hard work by displaying their produce at our show. We encourage people who have never exhibited before to give it a go this year. We have Novice classes, and guidance will be given every step of the way, starting with a phone call to me if you are unsure what to do.

The children's exhibits never let us down, they fill the marquee with vibrant colour, and we hope that they will become the adult exhibitors of the future, keeping this wonderful tradition from dying out.

Exhibitor or visitor, we hope you all have a wonderful day out at Knowsley Flower Show.
